

**TREASURY CONFERENCE CALLS WITH PARTICIPANTS IN  
THE NEW YORK STATE TEAMSTERS FUND**

In addition to the two town hall meetings previously announced, the Treasury Department staff will host two conference calls for New York State Teamsters Pension Fund participants and beneficiaries about the Fund's pending MPRA application. Like the town hall meetings, these conference calls are being scheduled, organized and will be conducted by Treasury Department officials. The Trustees, the Fund and the Fund staff have no role in these calls, which will give participants and beneficiaries an opportunity to provide comments and feedback directly to Treasury Department officials.
